In this formula is agreed to, that France will probably consider it sufficient additional security to demand that Britain and France shall be bound by interpretation of article 15 as given in the Locarno Treaty.

The British Foreign Minister, of course, is bound to co-operate legally and diplomatically with the French. The British view of this interpretation is that he will add no limit to the obligations contained under the covenant. It merely defines.

# New Light Throw on Celebrated MacDonald Will Case at Winnipeg

## MILLIONAIRE DISAPPOINTED IN CHARITIES

Said Women Deceived Him As To Children's Home

*Canadian Press*

WINNIPEG, Man., April 2. New developments in the now celebrated \$2,000,000 MacDonald will case were disclosed yesterday to members of the Manitoba legislature Tuesday night by Hon. W. J. Major, K.C., Attorney-General.

In a speech before the Attorney-General, Dr. John Mackay, principal of Macdonald College, and a little friend of Alexander Macdonald, millionaire wholesaler, expresses the belief that the millionaire had planned to give a will to aid certain Winnipeg charities, but that he had been deceived and had drawn his will in favor of Mrs. Grace Ann Porting, his only daughter.

Tuesday night, Mr. Major also advised the legislature that he had organized a special committee of the legislature to look into the matter. He said that Judge St. G. Stubb, of the Surrogate Court, had declared that intervention by the legislature in the case would be in direct conflict with the spirit of the law.

Mr. MacDonald had died in 1926.

He was buried in Vancouver.

"He found no time to see Dr. Mackay in his letter to the Attorney-General," said Mr. Major. "He wrote to the Friends for the Poor in Vancouver, who have a large number of children there, and told them that there were a large number of children there, and told them that he had found that the local home, which he had given to the Friends, was not, following a visit to Vancouver, in the condition he had known it to be the condition of the institution."

When in Vancouver

"He found no time to see Dr. Mackay in his letter to the Attorney-General," said Mr. Major. "He wrote to the Friends for the Poor in Vancouver, who have a large number of children there, and told them that he had found that the local home, which he had given to the Friends, was not, following a visit to Vancouver, in the condition he had known it to be the condition of the institution."

"He was greatly disappointed and disappointed him again and again," if those women would decide now, "that his disappointment with the Friends for the Poor was due to his confidence in his own judgment."

C. Huthings, of the city, said Mr. Macdonald told him that he had decided to leave the Friends for the Poor because he was in Winnipeg. He added that he and C. Huthings had waited a while, thinking that he was ready to say more about the fact, but for some reason other we were never called."

of Commons Tuesday, with the amendment of A. A. Heenan, Lakehead member for Winnipeg North, on the part of the government.

Members once more emphasized the gravity of the unemployment situation in parts of the Dominion and urged upon the government some measure of unemployment insurance to meet the emergency. The amendment, was, however, defeated.

The amendment was moved Monday to a government motion that the provinces must meet the emergency of unemployment. The amendment did not receive the support of the opposition. The amendment was voted down.

Tuesday, J. B. Woodsworth, Labour member for Winnipeg North, moved a motion to increase the unemployment insurance. Mr. Woodsworth informed the House that a resolution had been made by Mr. Heenan a couple of weeks ago, in London, Ont., quoted the minister as saying that the government was willing to co-operate with the provinces in the matter of unemployment insurance. This report had led to the conclusion by Mr. Heenan that such system was in contemplation.

Debate. Mr. Heenan replied that, while he favored unemployment insurance, it was prima facie a provincial responsibility.

According to an order-in-council, the government has agreed to pay unemployment insurance in that part of the province lying to the west of the Red River and to the south of the Townships #21, the open season for muskrats shall be from March 1 to May 15, 1930, and to the north of Township #20 from March 1 to May 15, 1930.

Henry Ward was not guilty of breaking into a house in the city, it was charged yesterday, but he was still discharged.

He was accused of having broken into the home of Mrs. Charles Munton of the Athabasca district.

His Lordship after hearing evidence from Mrs. Munton, Mr. W. G. Wilfred Webb and Isaac Kishman, came to the conclusion that it was impossible to prove that he had committed the offence. He was found not guilty.

Mr. Webb, who conducted the prosecution, and P. G. Thompson, K.C. defended.

**NO CEREMONY IN OPENING OF LEGISLATURE**

30 Bills Await Passage Before Final Prorogation

At 3 p.m. on Wednesday, the legislature will adjourn for the remaining session since Friday, March 21, and will not meet again until the opening of the session, which it hopes to complete by Friday next at 3 p.m.

No ceremony will be held in connection with the re-opening.

Mr. J. E. Brownie, speaker of the house, entered the chamber and took the chair and read the order of the day, as though the house had been adjourned only since the day before.

Such a procedure is not passed prior to prorogation, but of these only three bills were brought forward any discussion at all.

Natural Resources.

These are the natural resources bills—the amendment to the Edmonton City Charter, the bill to establish a city of 10,000, a bill for retail credit, the new school board, the new security and fire prevention act.

A natural resources agreement will not provide much discussion as it has been agreed to by the provinces, and the amendments needed to be introduced as soon as possible to meet general approval.

That will start the programme and take on the half billion question in unknown. In view of the fact that the introduction of a model city charter is to be followed by the introduction of a bill for retail credit, the government has decided to introduce the former first.

The retail credit bill is to be passed while it is thought several amendments will be made to the security and fire prevention act.

The Schools Act.

The Schools Act, which is in committee of the house, undoubtedly will come up for consideration before the session ends, and the government will call on the members of the house to give their advice to the committee on the advisability of passing the measure.

The Schools Act is expected to be passed with little difficulty, while it is thought several amendments will be made to the security and fire prevention act.

Ukrainian Garb Is Cause of Battle

Allied to have abated and would be quiet for a long time, but the quiet is not to last, because the old Ukrainian Harry H. Karpach, 41, of 10218 101st Street, appeared in court yesterday. He is accused of violating section 10 of the "A" division of the Provincial Police Act. Metro Karashewski, alderman for the 10th ward, said that the older young accused in the affray was given a 30-day sentence on a charge of intoxication.

## BUSINESS MEN OF SOUTH SIDE MEET TUESDAY

200 Present When Rousing Booster Banquet Held

HEAD

Selected as the most beautiful girl at the University of Wichita, Kansas, Mrs. Helen M. Hayes, was the scene of the largest gathering of business men and women in the neighbourhood of 300 persons.

Nineteen manufacturing firms of Wichita had their walls displayed in the hall of the Hotel Wichita, and the exhibition had been paid to the artistic skill of the girls.

The display was largely in the hands of B. W. Green, whose main object was to bring the girls closer together.

Miss Hayes, who was the idea of the meeting, was the centre of interest throughout the evening.

The ladies were entertained by the Rev. R. H. Lytle, who kept them in stitches with his many witcracks. Mrs. J. W. McLean, Mrs. W. C. Johnson, president of the association, outlined several of the main attractions of the city, and the various residential areas and sites along the hill driving roads for prospective buyers, including the railroad service.

Dr. J. G. Moore was the main speaker of the evening, taking as his subject "How to Keep Young". The doctor also spoke in support of whole wheat flour, which was the theme of the evening.
